

Phase 5 Geography curriculum.

Students have either 2 or 3 hours of lesson time per week across a three-year rotation. The following units are studied in line with the AQA GCSE Geography Specification.

Paper1:

- The challenges of natural hazards.
- Extreme weather in the UK.
- River landscapes.
- Coastal landscapes.
- Climate Change.
- Ecosystems and biomes.
- Tropical Rainforests.

Paper 2:

- Urban challenges in an LIC – Rio de Janeiro.
- Urban challenges in a HIC – Bristol/Liverpool.
- Urban challenging in a NEE – Nigeria.
- Resource management with a focus on Water.

Paper 3:

- Physical fieldwork.
- Human fieldwork.
- Pre-release material study.
