

## UNITY PRIDE POINTS

At Unity we strive to promote an outstanding work ethic in all of our students. We take huge pride in our student's achievements. We promote a love of learning and aim to provide an atmosphere where children choose to do their best. This includes an expectation of a **P**roud, **R**esilient, **I**ndependent, **D**etermined and **E**xperience attitude towards all aspects of school life. We call this Unity **Pride**.

**Pride** points reward students who take responsibility for their presentation and are self-motivated to put in 100% effort. There is no quota or limit to how many **Pride** points teachers give. If a child has impressed a member of staff with their attitude, commitment or standard of work then they deserve a **Pride** point.

The **Pride** points not only reward those who are consistently succeeding but act as a motivational tool to inspire and motivate all of our students to be proud in their work, school and of themselves.

Once you obtain 400 or more **Pride** points your name will be put into a **Mega Draw** to win an amazing prize to celebrate your **intrinsic motivation** to succeed at the end of the school year.
