Unity Academy PE Footwear

At Unity we expect our pupils to be fully equipped for PE lessons. Pupils need to be organised and check their school timetable each evening so they pack the correct equipment they need for the next school day.

Our rule for PE kit at Unity is that pupils bring trainers appropriate for sport and wear them only during the PE lesson. The trainers must be flat with no plastic studs (Astro turf shoes will not be allowed to be used in the sports hall) and must be able to be securely fastened.

In order to support parents we have produced a handy guide below to demonstrate what appropriate footwear might look like.

For pupils who may wish to be part of the football team and train on the 3G Football Pitch, you must have the appropriate footwear, as shown in the information to the right. If pupils do not have the appropriate footwear, they will not be allowed onto the pitch.

TigerTurf™

Appropriate Footwear for a TigerTurf 3G Pitch

Use plastic-studded footwear only (no metal studs)

Do not use blades, dimpled or flat soled shoes

Footwear should always be clean and in good condition
